## EXPERIENCE

**NYU Stern School of Business, Department of Alumni Relations**

Development and Research Assistant

February 2015 – December 2015

- Retrieved, analyzed, and sorted raw alumni data in order to help manage large-scale outreach events for alumni
- Duties include data sorting and analyzing using Excel, alumni outreach, and miscellaneous administrative tasks

**Fund for the Public Interest (in alliance with Environment California and CalPIRG)**

June 2013-August 2013

Lead Intern

- Oversaw a team of interns and methodically delegated tasks based on individual strengths
- Orchestrated multiple campaign actions, such as the Apples to Twinkies Press Conference, by searching for venues, contacting media, reaching out to local business, and finding speakers for the events

Campaign Intern

- Gained hands-on experience in campaigning for social, political, and environmental issues
  - Raised awareness on the issues of fracking and the dangers of high fructose corn syrup by informing citizens and collecting signatures to alert significant political figures
  - Contacted and recruited employees over the phone to build an efficient team of canvassers
- 

## VOLUNTEER

**American Cancer Society Discovery Shop**

Shift Supervisor / Volunteer

October 2010-February 2014

- Supervised other volunteers while working alongside them to carry out routine tasks
  - Ensured customer support was satisfactory by assisting any customer with a complaint or aiding a customer in need
  - Communicated with manager to explain the need of volunteers while communicating the manager's expectation to the volunteers
- 

## SKILLS

- **Programming:** Proficient in Python, C++. Familiar with JavaScript, HTML/CSS
  - **Tools:** Microsoft Office, including MS Publisher and MS Project, XCode
